

CADET 150 – celebrating and promoting the success and value of the Cadet Movement in its 150th year in 2010

Aim

To establish MOD's Cadet Forces as leading providers of voluntary, extra-curricular educational activity for teenagers in order to:

- Bolster the reputation of cadet forces and by extension, that of the Armed Forces and Defence
- Achieve a better understanding of benefits of cadets throughout UK society
- Obtain support from all parts and tiers of Government
- Create external funding opportunities
- Stimulate improved adult and cadet recruiting climate – mount recruiting surges
