ABP 2016 Locations – Dishforth

DISHFORTH

Local Area

Dishforth is located off the A1 between North Yorkshire Moors and the Yorkshire Dales and is also close to the cities of York, Leeds, Ripon and the Spa town of Harrogate. The small town of Boroughbridge is approximately three miles away and is the closest town to Dishforth with small independent retail outlets and services, two dentists, a doctor's surgery and a Morrison's supermarket.

Within one hours drive you can reach the Lake District, the seaside, the Metro Centre in Gateshead and Meadowhall in Sheffield.

Facilities at Dishforth Camp include a fully equipped gymnasium and Londis shop. There is a small PRI shop in the Hub. The Community Centre hosts various activities such as Mums & Tots, Stay and Play, Poppies Cafe and Youth Clubs, there are also external community activities that run from this location which include Boxercise and Stroll and Tone as well as regular visits from the Health Visitor.

The majority of SFA addresses have been confirmed with the majority in Dishforth but allocations also made in Ripon, approximately 6 miles away. All family members will need to register with a local NHS GP and dentist.

There is a good selection of nurseries / pre schools and primary schools within the Dishforth and Ripon area. The closest local secondary schools are in Boroughbridge and Ripon.

PRE MOVE CHECKLIST

Service Family Accommodation – If you require housing you must complete a [Form e-1132](#)

Healthcare – You must deregister with the medical centre just before you leave Germany. If you currently take medication ensure you have enough to cover you until you are registered in the UK. Three months' worth of repeat medication can be issued.

Dentalcare – Any routine dental inspections and treatments must be initiated four months prior to relocation to the UK.

Education – Once your child has been offered a school place in the UK you need to inform the SCE school of your child's departure and of their future school. They then liaise to ensure the best transition for your child.

Childcare Qualifications – If looking to work with children or vulnerable adults following your move to the UK you may need a 'Good Conduct Certificate'. More information can be found [here](#).

Visas – If you do not hold a British passport or are a citizen of a non EEA country your first POC for any information regarding visas is your UWO. Further information can be found [here](#)

Passports – Make sure all your family passports are valid for six months from your date of travel.

Pet Passports - For some types of animal that you intend to transport back to the UK you must have a pet passport. You need to ensure that you have the correct documentation in place and that your pets are vaccinated. Advice can be found [here](#).

Travel Arrangements – Ferries and hotel bookings should be booked through your Unit Admin Office

Cars – All BFG vehicles returning to the UK require a BFG Form NOVA from BFG Customs and Immigration.

German Contracts – Cancel any German contracts in writing. Your local HIVE has bilingual templates for use.

Kindergeld – Cancel German Kindergeld through your Admin Office.

POST MOVE CHECKLIST

Service Family Accommodation – If you are taking over your quarter then you must arrange to take it over a minimum of 24 hours before your removals delivery date. Once you have the keys you must be available on your predetermined move in day for receipt of your container from Germany.

Healthcare – Families will need to register with a UK GP if you didn't do so before you left Germany.

Dentalcare - Families will need to register with a UK Dentist if you didn't do so before you left Germany.

Education – If your child is attending a new school we would advise that you arrange a visit to understand what services are being provided, such as breakfast and after school clubs. If at boarding school in the UK, you will need to renew your Continuity of Education eligibility certificate.

Cars – Contact DVLA in Swansea with your new address and apply for a new driver's license. Confirm that your car is registered correctly, insured, taxed and MOT'd for the UK.

Insurance – You will need to arrange home, car, personal and if applicable pet insurance.

Allowances – If you qualify for allowances such as child, disability or unemployment Benefit you must contact the relevant department and update your details to confirm entitlements and the process for claiming them.

Utilities – Utilities are run differently in the UK. You are responsible for choosing your utility provider whether it is gas, electric or water and how you pay for them.

Phones – Transfer or take out new mobile and/or landline phones. If you would like broadband it is sensible to look at all available packages to get best value for money.

TV – All SFA with a TV will require a TV license. If in SLA you will need to apply for a TV license, the Mess licenses do not cover the entire Barracks.

Address – Tell your UK Bank or Building Society and Card providers of your new UK address.
