

## FEES 2009

<b>FEES 2009 STATUS</b>	<b>FEES PER TERM</b>
SERVING FEE	£550.00
INTERMEDIATE: NO LONGER SERVING (Parent leaves Armed Forces whilst child at school)	£1325.00
NO LONGER SERVING ON ENTRY	£2555.00

The fees represent outstanding value for money. The above fees are the basic cost of full boarding and are all inclusive. Parents need to supply school uniform, funds for social activities and trips abroad which are optional. The school is funded to provide a service for children whose parents are in the Armed Forces. It is non-profit making.

The Continuity of Education Allowance cannot be claimed against the school fees as the school is an MoD establishment and a reduction in fees has already been made.

Other costs needed to be taken into account are subscription costs, personal insurance, pocket money, house expenses, additional music tuition and any other incidental expenses which arise during term time.
