

RIFLES HEADRESS SUPPLIERS FOR OFFICERS AND WO1s

Please find below the RHQ The Rifles recommended suppliers (below in price order). Officers and WO1s should contact suppliers direct with their requirements. The delivery times for making these items vary with each supplier. Side Hats are “optional” for WOs. Please see pictorial representation below.

Prices are as at January 2010.

Field Officers and General /Staff Officers No1 Hat conversion: Because manufacturers construct their hats differently it is advisable to send the hat back to the original maker for application of Field Officers embellishments (oak leaf peak) or embroidered General/Staff Officers badge and red band. RiflesDirect do not stock Field Officer and/or General /Staff Officers cap badges. See below for source of these items.
