ARMY
BE THE BEST

We are the Army's only Reserve Surveillance and Target Acquisition (STA) Regiment. We are based in the City of London and recruit Officers and Soldiers from across the South East.

Whatever your background, profession or occupation, we have a role for you. The normal commitment is one evening a week, one weekend a month and a two week annual exercise. Our training is both challenging and rewarding. You'll develop skills and gain experience that will set you apart in your civilian career. We work closely with the Regular Army and you will have the opportunity to train and deploy on operations alongside them.

Opportunities:

- **STA Patrol Soldier**
- **STA Soldier**
- **Air Assault Gunner**
- **Signaller**
- **Driver**
- **Musician**
