Preface

This bibliography represents a selection of works held by the works held by the Central Library of the Royal Military Academy Sandhurst. It is not a full listing of our holdings, but focuses on recent materials and classic works likely to hold doctrinal and tactical insights into counter-insurgency operations. Details of how to find more information from the Library catalogues are given under each subject heading

Hyperlinks to on-line materials were tested during August 2010.

An updated version of this bibliography is available at:
